## Dambach Ramps Policies

**Shipping**—Ramps ship by FedEx, UPS or truck freight. All US shipping costs are listed. For International shipments, please call our toll free number. Truck freight listed is for business addresses only. Costs are extra to residences for truck shipments only. Add Pa. sales tax if shipping to Pa.

**Return Policy**—There is a 20% restocking fee for all unauthorized returns. We waive the restocking fee if you are just exchanging the ramp for a different size or type. The return freight will be paid by the customer. If ramp is damaged in shipment, call immediately for replacement.

**Warranty**—Ramps are covered by manufacturer's warranty which ranges from 1 year to 5 years depending on manufacturer. Most wheelchair ramps have 1 year warranty and most lawn and garden, atv, motorcycle and trailer ramps have a 5 year warranty. The walk boards do not have a warranty. Dambach Ramps is not responsible for customer neglect or overload of ramps. Not using the safety straps or cables voids the warranty.

**Ordering**—Orders can be place online at [www.dambachramps.com](http://www.dambachramps.com) or call Dambach Ramps at **1-888-752-0543**. If you live in or around New Castle, Pa. please call 724-752-0543. Orders can be faxed to 724-752-9790. Questions can be called or emailed to: [sales@dambachramps.com](mailto:sales@dambachramps.com)
